Brady Meisner — Mobile Cosmetology Sanitation & Hygiene Policy

Purpose:

To ensure that all mobile cosmetology services provided by Brady Meisner meet the sanitation, hygiene, and safety standards required under the Cosmetology Act — specifically Section 7(a)(b) regarding public safety and sanitation — and the sanitation requirements outlined within the By-laws of the Cosmetology Association of Nova Scotia, including By-law 17(zm) & 17(za).

1. Clean & Used Tool Separation

Clean Tools:

- All clean tools are stored in designated compartments within my haircutting bag and mobile rolling kit.

- These compartments are used only for disinfected tools.

Used Tools ("Dirty Tools"):

- After use, tools are placed directly into a sealed, labelled container marked “DIRTY TOOLS – TO BE SANITIZED.”

- Used tools are kept separate from all clean storage areas.

2. On-Site Cleaning & Disinfection (During Mobile Appointments)

Products Used:

- Clippercide Spray (DIN registered)

- Wahl Professional Spray Disinfectant

On-Site Protocol:

- Clipper blades disinfected between clients.

- Combs, guards, brushes sanitized as required.

- Hand sanitizer used before, during, and after services.

3. Full Disinfection Process (Completed at Home)

- Tools washed with soap and water.

- Tools fully immersed in Barbicide or Pre-Empt/Accel.

- Rinsed, dried, and stored in clean compartments.

4. Linens & Capes

Clean Linens:

- Stored in dedicated clean compartment.

Used Linens:

- Stored in a sealed “Used Linens” bag.

- Laundered after every client day.

5. Chemical Storage & Safety

- All chemicals stored upright and sealed.

- SDS sheets stored digitally and available upon request.

6. Client Home Protection

- Tarp used for chemical services.

- Spills cleaned immediately.

- All waste removed from client home.

7. Personal Hygiene & Professional Standards

- Hands sanitized frequently.

- Clean attire worn.

- PPE used when appropriate.

8. Waste Management

- Single-use items disposed of safely.

- Sharps stored in a sealed container if used.

9. Licence & Permit Display

- Licence and Mobile Services Permit displayed visibly at each appointment.

10. Compliance Statement

I, Brady Meisner, agree to follow all sanitation, hygiene, chemical safety, and professional conduct standards required by the Cosmetology Act, the CANS By-laws, and any additional standards established by the Association.
